Five Nights At Freddy's Game is a fresh online browser game designed to help you face your fears and nightmares. Your mission is to stay alive as long as possible without falling victim to the lurking dangers. Monitor the restaurant's security cameras and be ready to close all the doors in case of an emergency. You'll be up against ruthless killers disguised as pizza waitresses by day and bloodthirsty robots by night. Unbeknownst to you, you've taken a job as a night guard at this establishment, where mechanical monsters commit unspeakable acts under the cover of darkness. To avoid becoming their next victim, you must use a tablet, automatic door controls, surveillance cameras, and other resources to prevent them from infiltrating your security chamber.
