Baseball odds are expressed as 3-digit mon

ey line. All money lines are based onR\$100. The minus (-)

n the electronic wagering display and wagering sheets next to the starting pitch

er indicates the favorite. The plus (+) indicates

the underdog.

When betting on an MLB run line, +1.5 means that

the underdog team must either win the game outright or lose the game

by one run or less in order for the bet to be successful.

With a run line, also called against the spread, the spread is almost alway

s 1.5 runs.
