<p>Airport Clash 3D is an episode of the Clash 3D shooter series, just like Subway Clash Remastered and Sniper Clash🏀 3D . Use your minigun and help your fellow raiders to nuke the enemy's base!</p>
<p>In this battle royale game you🏀 must shoot to kill and try to rack up as many kills as possible. The game is set in an🏀 abandoned airport in the middle of a world war. The planes are grounded and you can use them as cover🏀 when fighting the enemy.</p>
<p>Choose from a range of different characters including a commando carrying a minigun. The gun has unlimited🏀 ammunition and you can unleash hell with a hail of constant bullets. The game has similarities to rocket clash and🏀 is one of the top multiplayer games available.</p>
<p>Remember that you can use different moves too such as the knife spin🏀 as opposed to just shooting enemies with your weapons. Keep moving, utilize cover, and try to take as little damage🏀 as possible. This game has similarities to Farm Clash 3D but the map is a completely different setting.</p>
