<https://www.quora.com/If-Krav-Maga-is-so-effective-why-is-it-not-featured-in-MMA-fights?m=1>

1. Krav maga techniques are designed for survival and often escape rather than "victory" or dominance.

Because we'll taught Krav Maga is so comprehensive in what it teaches, it makes it very effective in a street fight situation, where anything can happen (it's also why you really need) Tj T* BT
