Some NOVOMATIC fans love the 3D animation, massive bonus rounds, and big-money jackpots. Others, meanwhile, especially those who frequent land-based casinos the world over, prefer the Austrian developer's blend of classic sounds, no-nonsense graphics, and simple gameplay.

If you are looking for something that falls (mostly) in between, Magic 81 Lines will be music to the ears of both sets of NOVOMATIC fans.

In fact, Magic 81 Lines is a NOVOMATIC online slot that bumps up the action by paying all ways. OK, so there are only 81 paylines but this game at least offers something different to the usual Power Stars/Fruitilicious slots; mayhem with nothing more than just slamming the Spin button. And if you like stacked regular symbols, you'll love the low-to-medium variance action offered here.

Fruit-tastic Symbols On Four Reels

Magic 81 Lines retains all of NOVOMATIC's customary fruity mayhem - melons, cherries, grapes and oranges - but bets are made across all 81 possible lines.
