This article is about the second installment in the

Call of Duty series. For the console spin-off, see Call of Duty 2: Big Red One

t;

Campaign [edit]

One of the details the team added are post-war effects that continue on

the battlefield throughout the game, where dust and smoke continue to roll thro

ugh the streets, clouding up vision, and junk and debris scattered everywhere. T

he game has sound attenuation, with a 5.1 surround sound system, and context sen

sitive dialog, with a total of twenty-thousand lines of dialog. Each of the sold

iers fighting alongside the player will call out the position of enemy soldiers,

warn of flank attacks, and help out in ways that were not possible in the first

game of the series. Zampella said, "We really wanted realistic battle chat

ter going that's not only entertaining, but actually adds to the gaming expe

rience. So now you'll hear your guys telling you that there's [sic] two

guys hiding behind that rusty car in the street or that there are people on the

second floor of a building"

Call of Duty 2 received "generally positive" reviews, accordi

ng to review aggregator Metacritic.[32][33] The graphics and sound were widely p

raised and the reactions to the regenerating health system were mostly positive,

with reviewers from GameSpot and GamePro calling it an improvement over the pre

vious health bar system.[44][45]

The editors of Computer Games Magazine named Call of Duty 2 the seventh

-best computer game of 2005. They called it "the ultimate WWII shooter"
