Rafting is also a competitive sport practiced around the world which culminates in a world rafting championship event between the participating nations.

Rafting equipment has continuously evolved and developed significantly from old rubber WW II era military surplus rafts.

Wood, plastic, aluminum, and carbon fiber.

Traversing a Class 6 rapid has a dramatically increased likelihood of ending in serious injury or death compared to lesser classes.

Like most outdoor sports, rafting, in general, has become safer over the years.
