Although Supernatural had a shockingly long run of fifteen seasons, which ended in 2024, it seems that the show may be revived for Supernatural season 16. However, in order for the series to continue with the same main characters, a new season would have to involve one terribly overused trope. A midfielder is an outfield position in association football.[1] Midfielders

may play an exclusively defensive role, breaking up attacks, and are in that case known as defensive midfielders. As central midfielders often go across boundaries, with mobility and passing ability, they are often referred to as deep-lying midfielders, play-makers, box-to-box midfielders, or holding midfielders.

There are also attacking midfielders with limited defensive assignments.

The size of midfield units on a team and their assigned roles depend on

what formation is used; the unit of these players on the pitch is commonly referred to as the midfield. Its name derives from the fact that midfield units typically make up the in-between units to the defensive units and forward units of a formation.

Managers frequently assign one or more midfielders to disrupt the opposing team's attacks, while others may be tasked with creating goals, or have equal responsibilities between attack and defence. Midfielders are the players who

typically travel the greatest distance during a match. Midfielders arguably have the most possession during a game, and thus they are some of the fittest players
