If you're an old-school gamer or technophile, you'll likely remember the days gone by of Flash games websites. These were sites that hosted thousands of games powered by Flash, but since every major web browser disabled Flash back in 2024, these sites died off. However, there's one site that exists to preserve these age-old titles, and it's free to use. In this guide:

Storage: 125 GB; a available space.
