<p></p><p>Idle Ants is an addictive browser-based game that puts you in the role of an ant king overseeing a bustling🌞 ant colony. The ants, masters of organization and structure, act like gods, feasting on other insects, eggs, unusual foods, and🌞 even airplanes! Your task is to lead your army to destroy everything in their path and profit. Ever dreamed of🌞 starting your own ant colony? Idle Ants gives you the chance to make that dream come true. You'll feed your🌞 ants, buy new ones, and watch your little kingdom grow. The game takes place on a sandy surface where your🌞 ants will scurry around doing their jobs. They need to eat well and take uneaten food scraps to a makeshift🌞 nest. Your job is to make sure your ants always have access to food. Place the edible in the center🌞 and watch your ants feast on it. Idle Ants is a fantastic way to spend your free time!</p>
