<p>About game «Age Of War»</p>

<p></p>

<p>Well, to be honest, the name of the newest Age of War game, whose main objectives💹

are to defend your own kingdom and vanquish the opposition, is very lame. Let's attempt to explain our reasoning. The💹

answer is straightforward: after beginning the battle, we got so engrossed in it that we

spent an hour or so💹

working to solve the puzzle. What drew us in so strongly that it was challenging to leave. The first is💹

enjoyable since it introduces you to amusing characters who are struggling to survive. The second

is that we gradually moved💹

into the era of knights after the battles of primitive people with the aid of everyday weapons like sticks and💹

riders on dinosaurs, then there was the era of musketeers, the era of common warriors

with machine guns, the era💹

of tanks, and the final era - space warriors!</p>

<p></p>

<p>You have a set amount of money at your disposal, which you💹

can employ to build a sizable or merely numerical army. Additionally, there will be

three different sorts of soldiers in💹

every era save the last two, and four to five in the latter two. Tanks and super warriors will be💹

present in the latter.</p>
