With a staggering net worth of R\$500 million, the Portuguese star is able to afford the world's best cars, including a Mercedes-AMG GT. He also owns a private jet and a yacht. In 2019, he was named the world's most valuable athlete by Forbes magazine.

Clearly stoked with the gift, CR7 took to Instagram to post a picture of himself alongside his new Aston Martin DBS Superleggera convertible. "It's a dream come true," he captioned the photo.

The DBS Superleggera boasts a 5.2-liter twin-turbo V8 engine, 0-100 km/h in 3.2 seconds, and a top speed of 325 km/h. It's the most powerful and fastest car in the world.

Investing in real estate is another of Ronaldo's passions. He owns several properties in Portugal, Spain, and the United States. In 2018, he bought a \$200 million mansion in Los Angeles.

With 2024, his net worth is expected to reach \$1 billion. He is a true superstar, both on and off the field.

Steve Cohen, a hedge fund manager and philanthropist, is one of the most influential investors in the world. He has invested in several major companies, including Amazon, Google, and Facebook. He is also a member of the World Economic Forum and the Council on Foreign Relations.

His investment strategy is based on long-term value creation. He focuses on companies with strong growth potential and a clear competitive advantage. He is also a strong advocate of diversity and social responsibility.
