baseball League (AFL), with all ten of the former AFL teams and three NFL teams forming the league. The league was founded in 1960, with the first season starting in 1961. The league has since grown to include 28 teams, with the remaining 13 teams being added in 2002. The league is currently the most popular professional sports league in the United States, with a total of 1.2 billion fans.

The league's success has led to a significant increase in revenue, with the league's total revenue reaching \$1.2 billion in 2012. This revenue is primarily generated from television rights, with the league's television rights deal with ESPN and ESPN2 worth \$1.1 billion per year. The league also generates revenue from merchandise, licensing, and ticket sales.

The league's success has also led to a significant increase in the popularity of the sport of American football. The league's television deals have made the sport more accessible to a wider audience, and the league's marketing efforts have helped to increase the sport's profile. The league's success has also led to a significant increase in the number of fans attending games, with the league's total attendance reaching 1.2 billion in 2012.

The league's success has also led to a significant increase in the number of fans attending games, with the league's total attendance reaching 1.2 billion in 2012.
